Biscuits and Gravy Breakfast- Now doesn't that sound good? The Overbrook American Legion will host Biscuits and Gravy Breakfasts the first Saturday of every month, starting November 3, 2018 and running through March 2, 2019 at the American Legion Post from 7am to 10am. Breakfasts are served by donation. These breakfasts are a major source of fundraising for the Legion. All profits go to keep the Post operating and to support community events. Don't miss it!

Overbrook Police Department – School's back in session and it's getting cold outside. As you prepare for the winter months ahead there's one item you might not think about: trees that have limbs that overhang the streets. A couple of school bus drivers have asked me to remind everyone that **low hanging limbs** can cause serious damage to buses and the limbs themselves. Owners of property adjacent to a road are responsible for trimming the trees that overhang the city streets to a minimum of 12 ft. This may help to avoid serious damage to both the trees and buses. If you would like more information about trimming trees, please check www.arborday.org/trees/tips/when-to-prune.cfm. The Arbor Day Society suggests waiting to trim until the coldest part of winter has passed. On Sunday morning, November 4, 2018, it will be time to "**fall back**" with Daylight Savings Time. It's also the perfect time to change out the batteries in your **smoke detectors** and carbon monoxide detectors. Carbon Monoxide is a colorless, odorless, and tasteless gas that can build up in your home or business. If you don't have a **carbon monoxide detector**, get one. If you do have one, check it to make sure it is operating properly. These are normally inexpensive devices that can save your life. Thanks, Chief Terry Hollingsworth
