

Overbrook City News and Events January 2024

City Hall- Per our Water Distribution Project and Ordinance #4-15, the City of Overbrook Water and Sewer rates were to go up 2% on January 1, 2024. At the December 13, 2023 City Council Meeting, the Council re-evaluated this increase and moved it to 5% for 2024 only. The Council felt this was necessary due to additional expenses related to the project along with the price increase of the RWD#5 contract. You will see this increase on the bill due February 20, 2024. The scheduled increase in 2025 remains at 2%. Please call City Hall if you have any questions. Thank you!

Overbrook Police Department- Winter weather is here, be mindful of the road conditions. You can check road conditions for the state at Kandrive.gov or download the app Kandrive to your phone. Animal welfare and animal control complaints can be reported to the Police Department directly at (785) 665-7230. Please register your dogs and cats with city hall. It's inexpensive and easy and helps us locate where an animal lives should they run off. Every effort is made to locate the owner of a loose animal, but if the owner cannot be located, the animal is transported to Carbondale Pet Clinic.

Overbrook Parks and Rec- Youth basketball will start this month. Make sure to check out our Parks and Rec Facebook page for updates and information on parks and rec events. Facebook: Overbrook Parks and Recreation

The Overbrook Historical Society - Merry Christmas from all of us at the Overbrook Historical Society. We want to thank you for your support this year. In the new year we'll be launching our 2024 Speaker Series with a new topic each month. We'll open the year with a special presentation about the Santa Fe Trail by Bob Hug. Stay tuned to overbrookhistory.com for details about this and other upcoming events. We would also like to ask for your help. If anyone in the community has postcards featuring Overbrook, we would like to see them. Every time we think we've seen it all, someone brings us a new postcard. Contact us at (785) 691-7388.

We currently provide hot meals on Tuesdays and Thursdays; the meals are delivered to the Overbrook Housing Authority Community Center at 200 Oak, where participants pick up their meal. Donations of \$3.50 per meal are encouraged; however, no one will be denied if unable to donate. For more information, please contact Hanna Smith at 1-785-393-2246 or by

Trash/Recycling Information – The large blue containers are for **recycling** only. If trash is placed in the blue container, it will **not** be picked up. If you are in need of a trash container one can be purchased by calling Osage Waste at 785-836-9392, or you can purchase your own container from a store of your convenience.

Water Conservation in the home – In 2024 each month we will have a water conservation tip that might help reduce your water bill. This month’s tip is for the laundry room. **Use Clothes Washer for Only Full Loads.** With clothes washers, avoid the permanent-press cycle, which uses an added 5 gallons (20 liters) for the extra rinse. For partial loads, adjust water levels to match the size of the load. [Water Conservation: 45 ways to conserve water | Eartheasy Guides & Articles](#)
