Homeowner/Resident,

This letter is to notify you that Northern Pipeline (NPL), a contractor for One Gas, will be replacing your gas service on your property in the near future. Prior to construction, One Call will be notified and utilities will be marked in accordance with state laws. You will be notified prior to the work being done by a NPL employee or via a door tag to schedule a date for construction; which typically takes one day. If any questions or concerns arise, please feel free to contact our foreman, Dave Ginter at (785)207-5659.
