

Welcome to Overbrook

We are glad to have you as part of our community!

Additional information

The City of Overbrook now provides residential **curbside recycling** that is picked up every other Monday. This service is \$5.00 per month on your residential utility bill. A recycle container is provided. Additional recycle containers are available for \$4.00 each per month. A comprehensive list of acceptable items is included with this pamphlet.

Solid Waste pickup citywide is on Friday mornings. We try to announce Holiday Schedule changes. Residents are responsible for providing their own trash container(s). If you have an extra-large amount of trash (furniture, construction material, etc), please contact Osage Waste and Disposal prior to pick up at 785-836-9392.

The City of **Overbrook bills** for water, water protection fee, sewer, trash, and curbside recycling. Meters are read around the **15th** of the month. Bills are typically mailed the last business day of the month and are due on the 20th of the next month (i.e. bills mailed April 29th will be due May 20th).

Dog and Cat tags are required for animals over 6 months of age. City Ordinances prohibit vicious animals. A current rabies vaccination record is needed when purchasing tags. The tags are due each January and new tags are usually available mid-November. Cost is \$5 for animals spayed or neutered, \$10.00 if they are intact. Animal control issues can be reported to the Law Department at 665-7230 or 785-806-9500. **Building Permits** are required for most additions or changes to a building or property. Please check with City Hall for an application or for more information.

Ordinance #353 addresses Health and Welfare within our city limits, including Health Nuisances, Junked Motor Vehicles, Weeds, Dangerous and Unfit Structures, as well as other topics. If you have questions, please contact the Police Department 785-665-7230 or 785-806-9500.

Non-sorted, Curbside Recycling Service for ALL Overbrook Residents

The City contracts with Osage Waste

to collect

Recyclable Materials
including:

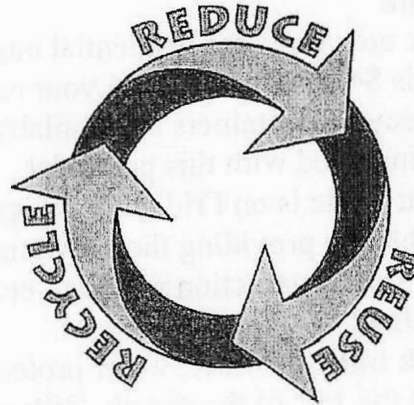

CLEAN Plastic Containers

**CLEAN Tin & Aluminum Cans
(corrugated & paperboard)**

Loose Paper

And Magazines

No Glass, Plastic Bags, Styrofoam, or any type of Hazardous Waste!

(#1,2,3,&5)

Cardboard

Newspaper

Curbside pickup will be "every other" MONDAY at 7am

-All materials must be inside the BLUE 65-gallon wheeled tote which will be supplied to each residence. Any items outside the tote will not be picked up. Residents may rent an additional wheeled tote for \$3 per month. A wheeled recycling tote is available at each residence, so don't take it with you if you move. If non-recyclable materials are found in the tote, the entire tote will be rejected and left at the curb. The totes are **NOT** to be used for regular trash pickup on Fridays. A \$4.00 monthly service fee will be included in each residential Utility Bill.

-Businesses may opt-in for service if they choose. Contact City Hall for Business Recycling details: 785-665-7328
