

Overbrook City News and Events November 2021

Update on water project - Carstensen Contracting, Inc has delivered some of the pipe for the project. They have also called in utility locates for the line boring to be done in the Country. Their schedule should be finalized soon. Please remember that the latest information plus a series of questions and answers related to the project is available on our website at <https://overbrookks.com/water-distribution-project> Thank you! Jim Koger, Overbrook City Clerk

Overbrook Bible Church - In honor of 20 years of service to Overbrook Bible Church and the Overbrook Community, Overbrook Bible Church will host a reception to honor Pastor Kevin Stone and his wife, Angela Stone. The reception will be at the Church on November 14, from 1-2:30 pm

Overbrook Police Department - Fall is upon us and that means that critters are becoming more active. Large and small. While smaller animals can cause damage to your vehicle, especially motorcycles, I'm talking about deer. I have noticed more and more deer in the fields when I drive during the daylight hours but, late evening and mornings just before sunrise they seem to be everywhere. Please be extra cautious when driving at night or the early mornings. Our natural first instinct is to slam on the brakes or to swerve to avoid them. Slamming on the brakes, especially when someone is behind you can cause an accident or pileup. Swerving can be even worse. Swerving left can and often does end vary badly if you hit someone head on. Swerving to the right, especially along roads like US 56 East of Overbrook, can be just as bad. There are some pretty deep ditches and drop offs where unless someone saw you go off the road, you might not be found for hours. The best thing to do is, if possible, slow down without slamming the brakes and just go ahead and hit the deer. I know, no one really wants to do that but, it just might save your life, or the life of someone else. Thanks. Chief Hollingsworth

Daylight Savings Time Ends - The first Sunday in November is when Daylight Savings Time ends. So, we will "fall back" one hour and return to Standard Time on Sunday, November 7th at 2:00 am. Be sure to set your clocks back one hour before bed Saturday night. And remember to replace batteries in your smoke and carbon monoxide detectors!

Overbrook Community Foundation – will be awarding two \$500.00 grants to clubs and organizations with non-profit status or units of government. The funds must be applied to a project supporting a need of the Overbrook community and implemented in the following calendar year. If awarded the grant, the check will be mailed to the contact person identified on the grant application or presented publicly at a designated time and place in the month of December. The application is available at https://overbrookks.com/documents/138/OCF_Grant_Application_10.21.21.pdf

Veterans Day – is on November 11, 2021. It is a time to pay our respect to those who have served. We stand united in respect to celebrate and honor America's Veterans for their patriotism, love of country and willingness to serve and sacrifice for the common good. We salute our veterans and express thankfulness on this special day and on every day. (City offices will be closed to honor veterans).

Overbrook Parks and Rec – SFT Youth Basketball 2021 Registration Forms are attached to the newsletter. Registration deadline is November 22nd.
