Subject: Work Session Friday, February 23rd 10AM Overbrook City Hall

Hi,

The regular 4th Friday work session will be held tomorrow at 10AM at Overbrook City Hall.

We will have a presentation from Greg Rickel regarding his outdoor ministry and the possibility of having some events at Jones Park like in years past. We will also be discussing the work order process, Department structure and overall direction and vision. This is a work session only, no final decisions can be made.

The public is welcome to attend.

If you have any questions, please let me know. Thank you!
